

## **ONTARIO CLASSIS EXECUTIVE REOPENING SUGGESTIONS**

1. Make sure the church knows how many people are able to attend. It is one third of the capacity. Each congregation need to measure out how many seats that will be.
2. Make sure that individuals and individual families are seated six feet apart. Again, the consistory will probably have to make a seating map as to how that might work.
3. Make sure that hand sanitizers are full and are able to be used.
4. Make sure, that if there is a nursery available, that no more than ten people are allowed in a room at a time -- children and care givers.
5. There can be no social time at the church. Therefore, no coffee or refreshments at the church.
6. Encourage social distancing at all times. I know this will be hard, but it is something that needs to be done, since this is the law, and we wish to keep God's people safe.
7. There should be no offering plates passed. Offerings can be given in different ways.
8. Finally and most important, the church building will need to have a deep cleaning before any services can take place.
